

WELCOME

Thank you for your interest in Bethel Presbyterian Church. As you scan this website looking at pictures and noticing graphics, take a moment and read between the lines! You may notice people just like you...people who desire to be a part of a community where friendships can be established and faith can be a foundation for life. You will see people who are seeking to serve others and to share with others. Homes being built, the poor being helped, and hope being given in tangible ways to those who are hurting. You may also observe that worship is a crucial part of our life whereby we give thanks to God and seek to be reminded that we live our lives before “an Audience of ONE.”

Bethel Presbyterian Church is unique in that we are a family that stretches across all age groups. We believe that it is healthy for the young and old, the married and the single, the long time resident and the newly arrived resident to worship and to serve together. Each of us has our preferences and our experiences which shape us but all of us seek to honor those who are different from us.

One thing that you will not notice at Bethel—perfect people! We are people who have areas of struggle and who are in need of the grace and forgiveness of God. We seek to extend that same grace and forgiveness to others.

If I can be of service to you, please contact me. My prayer for you is that you will discover the purposeful life that God has for you in Jesus Christ. May God bless you and make you a blessing to others.

Love in Christ Jesus,
